

Troubleshooting/ Evaluation Form

Distributor		Contact	
Phone		Email	

Customer		City	
Address		State/Zip	

Pump Model		Serial Number	
Liquid		Flow Rate (GPM)	
Temperature		Solid Size	
Slurry %		Total Dynamic Head	
Suction Pipe (diameter)		Inlet Liquid Pressure	
Suction Line (length)		Discharge Line (length)	

Which best describes operation

Continuous Duty		Or	Intermittent	
-----------------	--	----	--------------	--

If Intermittent

# of cycles per hour		Or	# of cycles per minute	
----------------------	--	----	------------------------	--

Dry Run

Yes	No
-----	----

Deadhead

Yes	No
-----	----

Air Supply Pressure		Filter Regulator	Yes	No
SCFM		Dryer	Yes	No
Compressor HP		Air Supply Pipe Diameter		

Describe in Detail the problems you are experiencing

Provide a schematic of the pump system.
